Weekly News for the Week of October 2, 2017

[Click here for the monthly calendar](#)

We had another successful and extremely well attended Curriculum Night last week, and we hope that the parents of our Kindergarten through Grade 4 students walked away with helpful information on the expectations of each grade level. District Attorney Joe Early was on hand to welcome the parents and to stress the importance of bullying and cyberbullying prevention in today's world. For those who missed the presentation, we have print resources available in the school office.

Please consult the paperwork that came home last week about the upcoming Grandparents Day Mass on October 13th. Read the directions carefully for the leaf decoration so that your family can be represented on the family tree. A wonderful morning has been planned for our beloved grandparents and special guests. This year there is a SignUp Genius that will allow you to register your guests. This tool will help the committee have a more accurate head count so that they can plan ahead for refreshments and volunteer coverage. You can also sign up to volunteer to assist at the event. Grandparents Day always captures the essence of our loving Saint Mary School spirit!

Don't forget to turn in your SMPA Volunteer Sign-Up form this week. Please do your part to make a contribution to our school community. There are so many wonderful ways to get involved and to serve as a role model of servant leadership for your children. Also, please seriously consider stepping up to chair one of the areas of critical need - The Saint Mary School Golf Tournament or the Faculty Appreciation Luncheon.

Thank you to the following parents who have volunteered to be the Room Parents for the 2017-18 school year: Kindergarten - Regina Garvey and Sarah Camerer; Grade 1 - Kate Duch and Courtney Silvani; Grade 2 - Katie Apicerno and Deb Mahoney; Grade 3 - Debbie Wisuri; Grade 4 - Olga Ceron; Grade 5 - Carrie Rocha; Grade 6 - Amanda Brown; and Grade 7 - Priya Lambert.
